SIR,

Subject - Withdrawal from acquisition Site Nos.77 and 78, proposed to be acquired for Widening Road Junction at Bowringpet Town.

In forwarding herewith a copy of letter No.I.A.130.151/31-32 dated 31st March 1935 together with the file of papers relating to the above acquisition from the Sub Division Officer, Kolar, recommending the withdrawal of the above sites from acquisition, I have the honor to state that for reasons given in the letter referred to above, especially the Municipal Council, Bowringpet, pleading inability to contribute their quota and the party's abnormal claim of Rs.2000/- as compensation on Site No.77 and the views of the District Board, Kolar, in the matter, I am of opinion that it is unnecessary to push on the acquisition proceedings further, and therefore request you to be so good as to obtain sanction of Government for their early withdrawal.

These sites were notified in the preliminary notification No. I.55/M.17-30-65 dated 3-7-31 and finally notified in Government Notification No.L.4068-8/M.36-31-20 dated 2-12-31.

I have the honor to be, Sir,
Your most obedient servant,

Action taken for withdrawal from acquisition

...4/130-131/31-32 dated,Kolar,31st March 1935 from the Sub Magistrate Officer, Kolar to the Deputy Commissioner, Kolar District

---

Acquisition of 48 and 46 Square yards -Municipal Site No:77 & 78 Bowringpet Town -Widening Road Junction -withdrawal recommended.

I have the honor to state that the acquisition of the property noted above for the improvement of the roads was suggested by the Assistant Engineer and the Municipal Council was moved to intimate their willingness to bear the cost of acquisition.

The Municipal Council, Bowringpet resolved in their meeting dat 30-9-1930 that half the cost of Acquisition be met from their funds and the other half be borne by the District Board as the extension forms part of the Provincial and District Board Roads.

The cost of Acquisition was estimated by the Panchayetdars in their Mahazar dated ——— at Rs.2/- per Square Yard and the total cost would come to Rs.212/-

In the meanwhile, the owner of site No.77 in question applied to the President, Municipal Council for the grant of a license to put up a compound wall to the site to secure safety for his depot of Mangalore tiles and timber etc., The Assistant Engineer was consulted in the matter and a license to put up a wall of 2½ feet was granted by the Vice President (without the previous sanction of the President as seen from the record) on 4-9-29. The Deputy Commissioner in his Order No.dated 27-9-29 clearly ordered that no licenses are given in the area which will complicate easy acquisition and completion of the work.

A notice is stated to have been issued to the party on 1-10-29 that a portion of the site was required for the extension of the road but there is no notice under his acknowledgment in the record. The party having received license as stated above completed the work by putting a compound wall and a temporary shed with zinc sheets for the safeguard of his property.

The opinion of the District Board was called for by the Deputy Commissioner in his number A.6.S.R.L.A.No 10/29-30 dated 25-4-31 to bear half the cost of acquisition and the record does not contain any communication from the President,District Board, in the matter

The acquisition was sanctioned by Government in their order No.L.4068-8/Rl.36-31-20 dated 2-12-31 and the records were returned to

to this office for further action directing the cost of acquisition will be met in equal proportions by the District Board and Municipal Council.

In respect of site No.78 the statements of the parties were recorded on 11-8-32 and award No.3 of 32-33 dated 24-9-32 was passed for Rs.92/-. As regards site No.77 the owner of the property named Mahamed Ummar of Kolar presented a written statement on 31-3-33 claiming Rs.2000/- as compensation for the whole site together with a well and a building standing thereon ~~the~~ on the grounds mentioned in his statements.

The Presidents of District Board and the Municipal Council were addressed to intimate the willingness of the Board to pay the cost of acquisition claimed by the parties.

The President, District Board, in his letter No.O.C.99/33-34 dated 14-2-34 states that the opinion of the Board was not taken beforehand when the acquisition proceedings were started, that as the extension of the road relates to Kolar - Bowringpet Road also, the Government also should bear proportionate cost of acquisition and that if the entire cost of acquiring site no.77 be within Rs.400/- the matter would be placed before the Board.

The President, Municipal Council, Bowringpet, has also intimated that as there are no sufficient funds in the Municipality they are unable to contribute their quota towards the cost of acquisition. A copy of resolution dated 24-5-34 to the effect is enclosed in the file.

Under the above circumstances, the connected acquisition records are herewit submitted for addressing the Government in the matter of withdrawing from the acquisition.
